

| № | Summer school | Curators | Max. number of participants |
|---|---|---------------------------------------|------------------------------------|
| Summer schools for students, graduates and young scientists (average level of profile preparation) | | | |
| <i>Faculty of Geology</i> | | | |
| 1 | Geology of the north-west of the Russian plate | M.G. Tsinkoburova, R.A. Schekoldin | 20 |
| 2 | Geological Tour around the Mountainous Crimea | I.V. Talovina | 15 |
| <i>Faculty of Mineral Processing</i> | | | |
| 3 | Complex processing of mineral raw materials | T.E. Litvinova | 20 |
| 4 | Automated logistics systems of chemical and metallurgical production | I.I. Beloglazov | 20 |
| Летние школы для студентов, аспирантов и молодых ученых (базовый уровень профильной подготовки) | | | |
| <i>Faculty of Mining</i> | | | |
| 5 | Underground mining of coal deposits | A.A. Sidorenko | 20 |
| 6 | Modern methods of environmental monitoring | M.A. Pashkevich | 20 |
| <i>Faculty of Geology</i> | | | |
| 7 | Stone in the architecture of St. Petersburg | D.A. Petrov | 15 |
| <i>Oil and gas faculty</i> | | | |
| 8 | Fundamentals of Oil & Gas | A.M. Schipachev | 20 |
| 9 | Modern technologies of drilling wells, transport and storage of oil and gas | I.V. Chudinova | 20 |
| <i>Faculty of Mineral Processing</i> | | | |
| 10 | Mining 4.0: Enrichment of minerals | T.N. Alexandrova | 20 |
| 11 | Advanced technologies of oil refining and petrochemistry | A.S. Ivkin | 20 |
| <i>Faculty of Civil Engineering</i> | | | |
| 12 | Geomechanics in the development of mineral deposits and underground megacities | P.A. Demenkov | 20 |
| 13 | Engineering geodesy: theory and practice | E.N. Grischenkova | 20 |
| <i>Electromechanical faculty</i> | | | |
| 14 | Innovations and development prospects of mining mechanical and electrical engineering | I.S. Trufanova, S.L. Serzhan | 40 |
| 15 | Formation of mechatronic systems | A.A. Belitskiy | 20 |
| 16 | Intelligent Power Systems | Y.L. Zhukovskiy | 20 |
| 17 | Innovative instrumentation | I.F. Katsan | 20 |
| <i>Faculty of Economics</i> | | | |
| 18 | Modern information technologies in management | S.A. Sidorenko | 20 |
| 19 | Management for the mineral-raw resources | A.Y. Nikulina | 20 |
| Летние школы для учащихся старших классов общеобразовательных учебных заведений и студентов | | | |
| <i>Faculty of Geology</i> | | | |
| 20 | Mining Museum: The Basics of Geology and Mining | A.M. Duryagina | 15 |
| 21 | Mining Museum: the evolution of life on Earth | A.M. Duryagina | 15 |
| 22 | Mining Museum: History of Technology and Mining | A.M. Duryagina | 15 |
| <i>Faculty of Fundamental and Humanitarian Disciplines</i> | | | |
| 23 | St. Petersburg Vacation (the Russian language) | N.V. Rusanova | 12 |
